Nidhi Mishra

Ajmer, Rajasthan ▪ +91 63785 69197 ▪ mishra2004nidhi@gmail.com ▪ LinkedIn ▪ GitHub

Professional Summary

Computer Science undergraduate with hands-on experience in backend development and database management. Skilled in MongoDB, API workflows, clean coding, and building functional components for real-world web applications. Contributed to a live e-commerce platform within the MOON startup environment.

Technical Skills

Languages: Java, JS, Python, HTML, CSS	**Databases:** MongoDB, SQL
Backend: Node.js, REST APIs	**Tools:** Git, GitHub, VS Code, Canva
Frontend: Bootstrap, Responsive UI Design	**API Testing:** Postman
Core Technical Skills: Debugging, API Integration	**Soft Skills:** Problem-Solving, Teamwork

Projects

WowWoolies — E-Commerce Platform wowwoolies.co.in
- Designed and structured MongoDB collections supporting platform functionality.
- Improved data performance through efficient MongoDB queries.
- Worked on a production-level system under the MOON startup ecosystem.

Wanderlust – Travel Booking Platform GitHub Repository *Node.js, Express.js, MongoDB*
- Built an MVC-structured travel booking platform with modular backend routing.
- Implemented secure login and role-based access using Passport.js.
- Integrated Cloudinary for media uploads and Mapbox for location-based features.
- Deployed on Render with reliable cloud connectivity.

Simon Game – Browser Memory Game GitHub Repository *HTML, CSS, JavaScript*
- Developed a dynamic browser-based memory game with level progression.
- Implemented DOM events, animations and real-time validation for interaction.
- Designed a clean and responsive interface for smooth gameplay.

Experience

Database Developer — WowWoolies   **MOON | Sept 2025 – Oct 2025**
- **Scalable Database Work:** Built and supported a production-grade, scalable MongoDB setup.
- **Startup Deployment Exposure:** Worked on backend components in a startup environment.
- **Performance Tuning:** Improved MongoDB query speed, reliability and data efficiency.
- **Cross-Team Collaboration:** Coordinated with backend teams for API–database communication.

Education

Government Women's Engineering College, Ajmer   *2023–Present*
B.Tech in Computer Science and Engineering   **CGPA: 8.52**

Certifications

- Postman API Fundamentals — Postman
- Cybersecurity Awareness — LinkedIn
- Introduction to Data Science — Infosys Springboard

Achievements

- Contributor — GirlScript Summer of Code
- Mentee — Goldman Sachs
- Mentee — Atlassian
- SheFi Scholar
- Solved 150+ LeetCode problems
